September 2023

Subject: Remedy Skin Care Range - Product Label Change

Dear Valued Medline Customer,

Medline is happy to announce that the labels on its Remedy Range will soon be updated to facilitate best practice preventative skin care. We have analysed our present portfolio, artwork, and value proposition in collaboration with clinicians. As a result, the label has undergone a revision, such as the introduction of more purposeful language with the same coloured packaging. The labels will also have evidence-based recommendations from the Coalition for At-Risk Skin (CARS), this independent group of skin care experts convened to develop consensus, standardized industry guidelines.

Product Facts	Best Practice Usage Amounts
Uses ■ moisturizes dry skin ■ beneficial for body	
Directions ■ apply 1oz full body per application, twice daily ■ apply especially right after bath or shower for best effect	
Other information ■ protect from freezing. Avoid excessive heat.	
For external use only.	
Ingredients water, carthamus tinctorius (safflower) seed oil, glycerin, stearic acid, cetearyl alcohol, dimethicone, glyceryl stearate, PEG-100 stearate, aphanizomenon flos-aquae (algae) extract, carnellia sinensis (green tea) leaf extract, eugenia caryophyllus (clove) flower extract, carthamus tinctorius (safflower) oleosomes, sodium hyaluronate, arginine, hydrolyzed soy protein, yeast ferment extract, phospholipids, zea mays (corn) oil, 7-dehydrocholesterol, caprylic/capric triglyceride, trisodium ethylenediamine disuccinate, tocopheryl acetate, citric acid, caprylyl glycol, ethylhexylglycerin, hexylene glycol, phenoxyethanol, vanilla planifolia fruit extract, isopropyl myristate, ethylene brassylate, methylhydrojasmonate.	

Please note that the product numbers are not changing, neither is the product formulation. This will be a rolling change from late 2023 and will affect the entire Remedy Skin Care Range.

We are look forward to providing you products and education that ensures the best clinical outcomes for your patients.

Yours sincerely,
Melissa Hickey
Product Manager
