99.4% PURE WATER

COMPOSTABLE &  
BIODEGRADABLE CLOTH

## PURE WATER WIPES

These pure baby wipes are infused with 99.4% medical-grade water with a few additional clean, gentle ingredients that keep the wipe safe and clean for your little one.

Our wipes are also 100% biodegradable\* and take between 60-90 days to break down.

Wipes will biodegrade and compost in municipal/industrial facilities according to ASTM D338 and OECD 311 standards.

**\*0%** NO FRAGRANCE | NO ALCOHOL | NO PHENOLS | NO PHTHALATES | NO PARABENS
